

### **Mission**

Internal Audit's mission is to recognize and address the risks and vulnerabilities that can impact Summit County in order to assist, coordinate and facilitate positive change and promote sound business practices for all Countywide operations while ensuring that the resources entrusted to County offices and agencies are used efficiently and effectively.

### **What Is The Internal Audit Department**

The Summit County Internal Audit Department (IAD) is an independent auditing entity, established by the voters of Summit County and overseen by the Audit Committee to examine and evaluate the County's performance and operations. The objectives of the IAD are to assist members of the County in the effective discharge of their responsibilities by furnishing them with analyses, appraisals, recommendations, counsel, and information concerning the activities reviewed and by promoting effective control and performance at a reasonable cost.
